Collaborative Professionals

About Us

The New York Association of Collaborative Professionals is an interdisciplinary association of professionals in the fields of law, mental health and finance that serves as the voice for Collaborative Practice in the Greater New York area.

NYACP advocates for a client-centered approach that enables divorcing and transitioning parties to resolve conflicts in a non-adversarial way, preserving dignity and respect while producing positive outcomes.

The NYACP helps its members maximize their potential and advance their practices through networking, training and increasing public awareness of the benefits of Collaborative Practice with the goal of transforming how people resolve conflict.

We support the International Academy of Collaborative Professionals which numbers more than 3,000 members in 19 countries worldwide.

To Our Sponsors

The New York Association of Collaborative Professionals (NYACP) is delighted to announce our sponsorship packages for the 25th Anniversary Gala, taking place on Thursday, December 4, 2025, at the Brae Burn Country Club in Purchase, New York.

For 25 years, NYACP has been a steadfast advocate for a client-centered approach, enabling individuals navigating divorce and other transitions to resolve conflicts with dignity, respect, and positive outcomes. Through networking, training, and raising public awareness about the benefits of Collaborative Practice, we empower our members to excel and elevate their practices.

Much like our mission, our sponsorship opportunities are designed to help you stand out and make a meaningful impact. Whether you're interested in our sponsorship packages or exploring custom options, this is your chance to align with a community dedicated to fostering collaboration and innovative solutions.

The 25th Anniversary Gala promises to be a memorable evening, bringing together long-time members and new collaborative professionals as we celebrate the growth and success of our organization and community—and honor the NYACP Founders and Past Presidents, listed on the next page.

We look forward to collaborating with you and making 2025 a year to remember!
